

Private Lesson Request

Summer of 2011

We are pleased to offer our camp families the option of extra lessons at Coleman Country Day Camp. These services are provided by licensed and certified individuals and camp-certified staff members, and payment is made to them through the camp office. If you are interested in private lessons for your child, please return this form to the camp office by April 15th.

Lessons are available, but please know that our regular camp programs include excellent instruction. Private lessons are made available for those children who wish to concentrate in certain skills areas. Opportunities vary, as do time slots. Private lessons are given prior to or after the camp day ONLY, and parents must provide transportation for their campers. Academic tutoring **for needed continuity** takes place in our air-conditioned Little Red Schoolhouse during the camp day.

Please indicate your interest by filling out this form and returning it to the camp office. As lessons are arranged on a first-come, first-served basis, we ask that you return this form as soon as possible. Prior to the start of camp, the appropriate instructor will contact you to discuss all details, including fees.
