Terms of Enrollment

This enrollment is not valid unless signed by the parent or guardian of the camper enrolled and accepted by the Camp Director. The signor agrees to pay the tuition as per the published schedule for this season. CAMP PAYMENTS ARE REFUNDABLE UNTIL MARCH 1, 2012. If a child, prior to the season, is unable to attend because of appropriately documented illness or injury, all monies will be refunded. No refund will be made for late arrival, early departure or dismissal for cause. Tuition and fees are agreed to be the reasonable amount as and for liquidated damages. If tuition is not paid as per the schedule of payment, early enrollment credits will not adhere and enrollment may be cancelled and no refund made. If the camper is absent for documented medical reasons for more than 7 consecutive camp days, a refund will be made for each day missed after the seven-day deductible period; a physician's note must be submitted.

For the general welfare of all campers, the Camp reserves the unrestricted right to dismiss any camper whose conduct or influence or whose parents, guardians, family members, or friends conduct or influence, in the opinion of the Director, is inimical to the best interests of the Camp. It is agreed that the venue of trial of any dispute that may arise to which any Coleman Family Camp, or its agents, is a party shall be in Nassau County, New York. It is understood that all photography and videography taken at camp or on trips may be used for promotional purposes. Permission is given for the camper to attend off-campus activities and trips. Permission is given for the camper to participate in water-related activities when traveling off campus, including those that are not inspected by the New York State Department of Health. I understand that the camp directors have selected sites and activities which they have determined to be suitable and safe for campers and that camp staff will verify the safety of each site at the time that the camp group visits. It is agreed that in the event that a parent cannot be reached in case of an emergency affecting the camper, permission is given to the child's physician as indicated in the camp records or, if unavailable, the physician selected by the Camp to administer proper treatment to the child.

This contract constitutes the full understanding of the parties hereto and no change, modification or waiver of any of the terms shall be effective unless in writing and signed by both parties.

In the event that this Agreement is executed by one parent, the signor acknowledges that he/she is also acting as agent of the other parent with authority to enroll the child at camp and to execute this Agreement on his or her behalf.
