Six Flags New England

As with most Six Flags parks, the focus here is on coasters and thrill rides. And when it comes to coasters, Six Flags New England boasts the world's absolute finest. That alone would be more than reason enough to visit.

New England Aquarium

The New England Aquarium is home to thousands of aquatic animals—from northern fur seals to giant Pacific octopus to African penguins. We also offer a wide range of exhibits, including the largest shark and ray touch tank on the East Coast and the Giant Ocean Tank, a four-story coral reef home to Myrtle the green sea turtle and hundreds of other Caribbean animals.

Boston Duck Tour

The “DUCK” is a W.W.II style amphibious landing vehicle. You’ll cruise by all the places that make Boston the birthplace of freedom. As the best of Boston unfolds before your eyes, the ConDUCKtor will be giving you lots of little known facts and interesting insights about Boston.

Castaway Island

Castaway Island Water Park is an aquatic paradise, perfect for fun and adventure. Featuring an array of exciting attractions, including thrilling water slides, a lazy river, and wave pools, it offers something for everyone.

Gallows Hill

Gallows Hill makes for a complete interactive and memorable experience that returning visitors continue to see year after year.
