

For Children Entering Nursery School in 2020

If you live in Merrick or Bellmore, you have the option of selecting a mini day for your nursery-aged camper for next summer, in addition to the traditional choice of a classic full day Coleman Country experience! But wait, there's more! We also have a three-day option for the mini day, both of which will run from 9 a.m. until 2:30 p.m. Both programs include bus transportation as well as swim instruction and a full range of camp activities.
