## HAPPY TRAILS TO YOU...

*Celebrating With a Grand Ole Birthday Bash!*

### Howdy Pardners!

We welcomed the Pioneers-in Training this week! Our Monday started off with the addition of our newest campers, the Bunnies, joining us on The Ranch for their romp! With their snazzy wheels, they get around to activities pretty quickly – check them out on their Ranch Rovers in this edition of the Chronicle.

Fortyniners continued their participation in the Margie Invitational Bowling Tournament. They took to the lanes and were able to “strike” up the fun. In addition, the fifth graders had a late night Tuesday as they watched the Long Island Ducks take on the Somerset Patriots. They hit it out of the park on the fun meter; it was a home run for all!

Wednesday’s signature event was the Great American Country Fair. True spirit abounded with campers and counselors dressed from head to toe in red, white, and blue. The festivities carried on throughout the day with field events like the potato sack races, tug-of-war, and scooter races; patriotic projects and parfaits were being made, and so much more to remind us of our giant red, white, and blue birthday party in honor of our country! On the menu was our annual BBQ lunch, followed by red, white, and blue ice pops to help cool things off!

Enjoy the long 4th of July weekend and get ready for another bustling week on The Ranch!

**ROPING IN RINGO...** Campers in G2-5, the Coharies, showed their true spirit, adorned in red, white, and blue, as they took time out to strike a pose during our annual Great American Country Fair, while surrounding a patriotic pup!
