Discover the Spirit!

HAPPY TRAILS TO YOU...

Head 'em up, Move 'em Out to The Ranch!

Howdy Pardners!

Welcome back to The Ranch for the Summer of 2014! We're thrilled to see everyone "saddle up" and explore all that is new and exciting on The Ranch.

During Spring Fling, many had the opportunity to explore *Mount Nameloc! Mesa Grande* has been a wonderful addition to *Mega Mesa*. Campers have already enjoyed the ability to move from one play area to the other, and the Pioneers and Scouts will now be able to ride the trains in the shade. Yee haw!

In addition to *Mount Nameloc*, we are looking forward to camper reactions as they discover our new indoor/outdoor cooking facility. The former outdoor cooking area was made-over, and we have added a brand new indoor facility adjacent to outdoor cooking!

Campers will also be able to cool down as they sit on the red bleachers at the main field and while they walk through the locker area by the pool. Both areas are now covered with brand new shade structures!

With a full summer ahead and many new things to appreciate, we are going to live this summer through the theme "M.A.C.H.O". While having an amazing summer, "My Actions Can Help Others" will be applied as we help each other through our actions.

CODE OF LIVING GOALS...*The ladies of G7-1 collaborate as Ross and new camp mascot Bodie "assist" in the team effort!*

M.A.C.H.O "My Actions Can Help Others"

Scott "M.A.C.H.O" Epstein is the inspiration for our camp theme this year. His passion and dedication to our campers throughout his life at Coleman Country will never be forgotten.

When "M.A.C.H.O" first began working at the challenge course, he exemplified this expression, and through "My Actions Can Help Others" he helped our campers step out of their comfort zones, into their stretch zones, and provided the reassurance and guidance to conquer their fears.

"M.A.C.H.O" learned throughout his life how to overcome challenges, and because of his strength and knowledge to do so, his motto and mentoring will live on. As we begin this summer, remember in every situation how "My Actions Can Help Others".
