HAPPY TRAILS TO YOU...

It's a Great American Country Fair Celebration!

Howdy Pardners!

What an incredible first week on The Ranch! We kicked off the first days of camp making new friends, sharing tons of laughs, and having fun in the sun!

Bodie, our new camp mascot, made his dance debut as he greeted the 2nd, 3rd, and 4th Graders with his "B.B.W.," also known as the "Bodie Butt Wiggle"! He was honored to join the introduction to Dance Club performance at the Club Showcase on Tuesday.

The 49ers kicked off their annual Margie Invitational Bowling (MIB) Tournament! Stay tuned as the fun continues into next week when the Championships take place on Wednesday, July 8th.

Today's Great American Country Fair was the perfect way to finish the first week of camp! The Ranch was filled with stars and stripes as campers and counselors showed their American pride and spirit in their favorite Red, White, and Blue! Campers enjoyed this wonderful celebration throughout the day with a BBQ lunch. They also made patriotic parfaits in cooking, participated in scooter races, tug-of-war, potato sack races - all while staying cool as the water cannons went off!

Have a fun and safe 4th of July weekend! We are looking forward to more "firework" moments on The Ranch next week!

LIFE, LIBERTY, & THE PURSUIT OF HAPPINESS...The girls of P4-1, the Geckos, showed their American pride while striking a pose along with Ross, Kelli, and Bodie at our annual Great American Country Fair!

Our Code is MACHO

As we conclude our first week on The Ranch, campers and counselors have an important document upon which to reflect over the upcoming long weekend – their Code of Living. These are individual group agreements that reflect how every member of the group agrees to live together this summer. After discussions about how to write their positive comments, each member of the group signs the pledge and brings home a copy – the counselor keeps a copy with the group at all times so that everyone can refer back to their statements from time to time.

The Code of Living is the underpinning of our theme this summer: M.A.C.H.O. It helps us remember that "My Actions Can Help Others."
